## Credit Management

Network Payout Report

A network payout report that reflects your current credit status has been added:

New: Demand Item Categories

A Mandatory New Tab

- A minimum of 1 category must be selected
- Make sure that the category chosen is relevant for your demand, it will enable increased exposure to your offers
- Our recommendation: do not select more than 3-4 categories per demand item

In Addition

- **Navigate Entities**
  When targeting another entity - click on the entity name and the relevant screen will open

- Small Bug Fixes
